# HLE 28 & 29 Key

## Revisions

Green	Information Correct and checked to panel on locomotive
Orange	Needs to be checked

## Notes

<del>Strike</del>	Internal NMBS/SNCB 28xx number removed
Gray	Passenger Locomotives For Amsterdam Centraal - Brussel Zuid Service
Tan	No longer on a NMBS/SNCB lease.

<b>P</b>	Worked on a passenger train available to the public
<b>C</b>	Worked a Charter Train
YW	Years out of Works [decimal years]

2802 to 2813 are fitted with SW 9.4 for working top and tail on the Benelux services

It is likely that the lease between NMBS/SNCB and Alpha Trains for the twelve HLE 28s used on the Benlux Trains will finish at the end of 2024.

Note:- Originally all the Type 28s and 29s were leased from Alpha Trains by NMBS/SNCB. The locomotives were then sub-leased by B-Transport and the semi independent B-Logistics.

All the series 2814 to 2842 have ceased to be leased by NMBS/SNCB and have been returned to Alpha Trains.

Railpool has a deal to supply TRAXX locomotives to Lineas which have replaced the Alpha Trains TRAXX locomotives. However, in some cases, the ex-28xx series locomotives have continued to run with Lineas on a direct Alpha Trains - Lineas short term rent or lease.

A new direct Alpha Trains - Lineas lease is what has happened to 186 346, 347, 348, 349 and 350.
